Leaving School This Year?

As you are leaving school at the end of the year and no longer need your uniform, there are two options which you might consider.

- 1. Donate your uniform to the school
- 2. Sell your uniform through the second hand uniform shop.

To do either option, you can drop off your clean and washed uniform after your last day of exams or after sign out day for year 13 students to Mrs Herrick at the main office Monday to Friday, or at the uniform shop (open hours on the website).

If you want to sell your uniform, you will need to provide your bank details (as per below) and your portion of the sale price will be deposited once the item is sold. The uniform will be held for up to 12 months, if it does not sell after that time it may be disposed of.

The uniforms must be in good condition – see below

- Washed and clean, Current school uniform only
- No frayed collars, No underarm stains
- No paint stains, No rips, tears or holes, No fading
- Broken zips may be acceptable depending on quality
- No well-worn or threadbare items

Please complete this section and return with the items you wish to sell
